1	Extending the mediation completion deadline to April 3, 2006 would								
2	afford the parties 90 days after the initial Case Management								
3	Conference to complete mediation pursuant to ADR Local Rule 6-4(b)								
4	Additionally, prior to the first pre-mediation telephone conference								
5	which took place on January 11, 2006, the parties commenced informa								
6	settlement negotiations. The parties believe there is a realistic								
7	chance of settling this matter in the next several weeks. An								
8	extension of the deadline to complete mediation would allow for the								
9	parties to continue settlement discussions prior to expending								
10	additional fees and costs associated with participating in a formal								
11	mediation.								
12									
13	IT IS SO STIPULATED.
